

**AN ACOEM ON-LINE CME  
OPPORTUNITY**

Twelve sessions from the College's 2004 AOHC have been selected and now have accompanying questionnaires to help participants qualify for CME and/or ABPM credit. It's easy. Purchase the audio tapes or CDs and their accompanying handouts from Mobiltape ([www.mobiltape.com](http://www.mobiltape.com)) then download and print out the respective questionnaire from the ACOEM web site ([www.acoem.org](http://www.acoem.org)). After you have listened to the audiotaped presentation(s), answer the questions and return the answer portion of the questionnaire(s) to the ACOEM Education Department along with the appropriate processing fee. Upon successful completion, ACOEM will send you a certificate detailing only the CME credits earned. ABPM credit will be posted to the ABPM data base.

**CONTINUING EDUCATION CREDIT**

The American College of Occupational and Environmental Medicine (ACOEM) is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

**ACOEM designates this educational activity for a maximum of 3 category 1 credits towards the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.**

To earn credit, you must answer at least 70 percent of the questions correctly. Correct answers will be published on-line March 16, 2005

## Continuing Medical Education

### 2408 Frontiers in Occupational and Environmental Medicine (3)

Jeffrey Derr, MD

1. Due to anthropometric differences between genders, men were found to have greater exposure to physical risk factors than women when doing identical tasks on a computer workstation.
  - a. True
  - b. False
2. Text analysis of workers compensation data identifies more cases and yields more use information than analysis relying on database codes and classification only.
  - a. True
  - b. False
3. According to the study presented, symptoms and provocative testing (Tinel's and Phalen's) provides good sensitivity and positive predictive value for carpal tunnel syndrome defined by abnormal nerve conduction studies.
  - a. True
  - b. False

William Cutlip, MD

1. The Stockholm Classification for Hand-Arm Vibration Syndrome does NOT
  - a. take into account both vascular and neurologic symptoms and signs
  - b. specifically quantify attacks of blanching
  - c. include a rating of neurologic motor symptoms
  - d. have a category for structural changes resulting from vascular compromise
2. In a person who has Hand-Arm Vibration Syndrome and is exposed to vibration, which of the following is NOT involved?
  - a. parasympathetic sudomotor fibers
  - b. sympathetic autonomic nervous system
  - c. prefrontal cortex
  - d. plasma norepinephrine

**EXAMINATION ANSWERS**  
**2004 AOHC      Session 2408**

**Frontiers in Occupational and Environmental  
Medicine (3)**  
*(Submission deadline – March 15, 2005)*

**Jeffrey Derr MD**

**Question 1:**

A    B

**Question 2:**

A    B

**Question 3:**

A    B

**William Cutlip, MD**

**Question 1:**

A    B    C    D

**Question 2:**

A    B    C    D

**ACTIVITY EVALUATION**

1. Were the stated program objectives successfully met?

Yes       No

Partially (please explain \_\_\_\_\_)

2. Was the selected session and related questions relevant to your practice?

Yes       No

(If no, please explain) \_\_\_\_\_

3. Do you anticipate that your participation in this program will result in any change in your practice of occupational and environmental medicine?

Yes       No

(If no, please explain) \_\_\_\_\_

**I certify my actual time spent to complete this educational activity to be \_\_\_\_\_ hour(s).**

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

**PAYMENT INFORMATION**

A fee of \$20 per credit hour for ACOEM members and \$40 per credit hour for non-members will be charge per credit hour. If paying by check, make check payable to ACOEM and mail to:

ACOEM  
Dept. 77-6583  
Chicago, IL 60678-6583

If paying by credit card, you may submit the test via fax. The ACOEM fax number is 847/818-9286.

If you have questions about the CME process, call ACOEM at 847/818-1800, and ask for the Education Department.
