

**AN ACOEM ON-LINE CME
OPPORTUNITY**

Twelve sessions from the College's 2004 AOHC have been selected and now have accompanying questionnaires to help participants qualify for CME and/or ABPM credit. It's easy. Purchase the audio tapes or CDs and their accompanying handouts from Mobiltape (www.mobiltape.com) then download and print out the respective questionnaire from the ACOEM web site (www.acoem.org). After you have listened to the audiotaped presentation(s), answer the questions and return the completed questionnaire(s) to the ACOEM Education Department along with the appropriate processing fee. Upon successful completion, ACOEM will send you a certificate detailing only the CME credits earned. ABPM credit will be posted to the ABPM data base.

CONTINUING EDUCATION CREDIT

The American College of Occupational and Environmental Medicine (ACOEM) is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

ACOEM designates this educational activity for a maximum of 1 category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

To earn credit, you must answer at least 70 percent of the questions correctly. Correct answers will be published on-line March 16, 2005

Continuing Medical Education

2410 What Constitutes Excellence: The Best Corporate Health Programs (1)

1. What are the strategic foundations and the results of the CHAA since its inception in the mid-1990's?
 - a. ACOEM'S 'Scope of Practice' statement is the main foundation for the elements of the CHAA, and there have been over two dozen organizations to win the CHAA so far
 - b. There are none because the CHAA was built on committee members' opinions and there have been a few winners
 - c. Some members of the Board of Directors produced the exact requirements for the CHAA items on their own
2. How does the updated CHAA scoring framework enhance the identification of exemplary programs and model practices?
 - a. it is still entirely based on the 1992 'Scope of Practice' statement
 - b. it emphasizes the role of the occupational physician
 - c. the updated framework adds new items as well as having Leadership & Management at the forefront and increasing the # of points for that area
3. How might the new CHAA web-based self-assessment tool benefit my practice and organization EXCEPT.....
 - a. foster education process by helping to identify strengths, weaknesses & gaps
 - b. discourage participants to improve their own corporate programs
 - c. identify and recruit potential CHAA applicants
 - d. help bridge the process from completing the Checklist to becoming a full applicant
