

**AN ACOEM ON-LINE CME
OPPORTUNITY**

Twelve sessions from the College's 2004 AOHC have been selected and now have accompanying questionnaires to help participants qualify for CME and/or ABPM credit. It's easy. Purchase the audio tapes or CDs and their accompanying handouts from Mobiltape (www.mobiltape.com) then download and print out the respective questionnaire from the ACOEM web site (www.acoem.org). After you have listened to the audiotaped presentation(s), answer the questions and return the answer portion of the questionnaire(s) to the ACOEM Education Department along with the appropriate processing fee. Upon successful completion, ACOEM will send you a certificate detailing only the CME credits earned. ABPM credit will be posted to the ABPM data base.

CONTINUING EDUCATION CREDIT

The American College of Occupational and Environmental Medicine (ACOEM) is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

ACOEM designates this educational activity for a maximum of 1 category 1 credits towards the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

To earn credit, you must answer at least 70 percent of the questions correctly. Correct answers will be published on-line March 16, 2005

Continuing Medical Education

2503 Building Skills in Fitness for Duty Evaluation (1)

Pam Warren, MD
