

## ACOEM Presidents

The present day American College of Occupational and Environmental Medicine (ACOEM) resulted from the merger in 1988 of the American Occupational Medical Association (created in 1916) and the American Academy of Occupational Medicine (created in 1946). For historical purposes and to acknowledge their contributions to the College, the past presidents of what is today ACOEM and its two parent organizations are listed below.

**CURRENT ACOEM PRESIDENT (2015-16): *Mark A. Roberts, MD***
