Making the Business Case for Diabetes Prevention and Management

RESOURCES

  
  This white paper is a call to action for business leaders to become involved in workplace and community activities to control diabetes-related complications. It provides information on the human and economic impact of diabetes and gives suggestions on how businesses can help employees with diabetes achieve improved glycemic control (published 9/99). Single copy $1. Commercial printer-ready Zip cartridges or CDs available. Call 1-900-890-8747.

- [https://diabetesatwork.org/_files/learn_more/small_steps_for_healthy_meals_to_prevent_type_2_diabetes.pdf](https://diabetesatwork.org/_files/learn_more/small_steps_for_healthy_meals_to_prevent_type_2_diabetes.pdf) – document prepared by the National Diabetes Education Program (NDEP) which can be distributed to employees.

- A Purchaser's Guide to Clinical Preventive Services: Moving Science into Coverage is an important resource on preventive services. [www.businessgrouphealth.org/benefitstopics/topics/purchasers/](http://www.businessgrouphealth.org/benefitstopics/topics/purchasers/)
  
  Developed by the National Business Group on Health in collaboration with the Centers for Disease Control and Prevention (CDC), the Purchaser's Guide translates clinical guidelines and medical evidence, providing large employers with the information they need to select, define, and implement preventive medical benefits such as colorectal cancer screening and tobacco use treatment.

- Workshop Planning Guide.
  
  This Workshop Planning Guide provides a step-by-step description on how to conduct a workshop for business partners on the importance of worksite wellness support and how to use the NDEP Web site [www.diabetesatwork.org](http://www.diabetesatwork.org). A CD-ROM can be ordered from [www.ndep.nih.gov](http://www.ndep.nih.gov) that includes this Planning Guide as well as modifiable templates for invitations, sample agenda, evaluation forms Power Point presentations and other materials taken from actual workshops conducted around the country.
