

AMERICAN COLLEGE OF
OCCUPATIONAL AND
ENVIRONMENTAL MEDICINE

Military and Toxic Exposures

Friday, April 14, 2023: 2:00 – 4:00 p.m. EST (Risk Communication)

Saturday, April 15, 2023: 8:00 a.m. – 5:30 p.m. EST (Exposures)

COURSE DESCRIPTION

Veterans' concerns about burn pits, Agent Orange, radiation, and a variety of environmental hazards are routinely in the news. This session will provide an overview of military environmental exposures with practical information on assessing, diagnosing, and treating Veterans with these concerns. In this interactive session, attendees will be introduced to easy to use and up to date resources on learning more about caring for these Veterans.

COURSE SUMMARY

The course is 2 days, beginning at 2:00 p.m. on Friday, April 14 and concluding at 5:30 p.m. on Saturday, April 15. It will consist of lecture/discussion, case studies, panel discussion, and questions and answers.

AGENDA

Friday, April 14, 2023: Introduction to Risk Communication for Environmental Exposures

Saturday, April 15, 2023: Assessing Environmental Exposures in the Military and Beyond

FACULTY*

John Barrett, MD, MPH, MS, FACOEM, FACPM, FAAFP

Manijeh Berenji, MD, MPH, FACOEM

Loleater Casey Gibson, EdD, MSN, BSN

Joanna M. Gaitens, PhD, MSN, MPH

Nicholas Magno, DO, MPH, MAJ, US Army

Lisa McAndrews, PhD

Brian McElligott, USN EODCS (Ret), MBA

Amir Mohammed, MD, MPH

Anisa K. Moore, MD

Omowunmi Osinubi, MD, MSc

Michelle W. Robertson, MD, MPH

Peter D. Rumm, MD, MPH, FACPM

Susan Santos, MS, PhD

Shanna Smith-Jackson, DrPH, MPH, CPH

Terra Vincent, PhD

*Faculty is subject to change.

ACCREDITATION AND CREDIT DESIGNATION STATEMENT

The American College of Occupational and Environmental Medicine (ACOEM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACOEM designates this live activity for a maximum of 10.0 *AMA PRA category 1 credits*™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

LEARNING OBJECTIVES

Upon completion of this educational activity, learners should be able to:

- Describe the problem and issues of military exposures
- Describe some exposures of interest in this field.
- Describe appropriate risk communication for military exposure issues
- Build a base of knowledge of skills to help Veterans and others with concerns
- Be positioned to take the VA/ACPM free exam/certification military environmental exposures

TARGET AUDIENCE

This course is designed for occupational medicine providers with a specific focus on treating military environmental exposures. You should attend this course if you are:

- An OEM provider
- A Resident – strongly encouraged
- Open to any interested attendee of the conference

ABMS CORE COMPETENCIES

This course will address the following ACGME/ABMS Competencies:

- Clinical Occupational and Environmental Medicine
- Environmental Health
- Toxicology
- Hazard Recognition, Evaluation, and Control,
- Public Health, Surveillance, and Disease Prevention

TUITION

Includes course materials, breakfast, lunch, breaks and CME credits

- ACOEM Member: \$695
- Non-member: \$845
- Resident/Retired/Student Member: \$495

REGISTRATION

Register online by [clicking here](#). This is the AOHC registration site, but you can indicate that you are only attending a pre/post course at the very bottom of the second page. Please contact us at educationinfo@acoem.org with any questions.
